

**Remarks/Arguments**

In response to the Office Action of October 25, 2007, applicants elect Group II, claims 9 through 15 for examination and thereby cancel claims 1 through 8 and 16 through 20. In addition, applicants insert three new claims 21, 22, and 23. The newly inserted claims are fully supported by the original specification and the original drawings.

Applicants respectfully request timely examination of this application and allowance of all pending claims.

Respectfully submitted,  
/Yingsheng Tung/
